KAZCOMAK

17-19 September 2014
Almaty | Kazakhstan
Ataken Exhibition Centre

ABOUT THE EVENT

From 17 to 19 September 2014 the **MiningWorld Central Asia, KazMet and Kazcomak** exhibitions took place at the Atakent exhibition centre in Almaty - the biggest and most important mining event for Kazakhstan, Kyrgyzstan, Uzbekistan and Tajikistan.

The exhibition took up 4 exhibition pavilions (9, 9A, 9B and 9C) in addition to a wide range of machinery (80 models) displayed outdoors.

- **Total exhibition space:** 11,682 sqm (confirmed by an independent auditing company)
- **Participants:** 310 companies
- **Visitors:** 3,380 senior-level professionals
- **Countries represented:** Australia, Austria, Belarus, Bulgaria, Canada, China, Czech Republic, Finland, France, Germany, Great Britain, Iran, Italy, Japan, Kazakhstan, Latvia, Netherlands, Norway, Poland, Russia, Singapore, South Korea, Spain the USA, Turkey, Ukraine, Uzbekistan, Switzerland.
- **National groups:** Australia, China, Finland, France, Germany, Norway, Poland and Turkey
- Companies of the Republic of Kazakhstan amounted to **36.5%** of the total number of exhibitors.

MINNINGWORLD CENTRAL ASIA

The exhibition sectors:

- Mining and mineral exploration
- Surface mining
- Industrial safety
- Underground mining
- Mineral enrichment
- Environmental protection
- Pyro- and hydrometallurgy
- Metalworking
- Smelting and refining of metals
- Specialised machinery and equipment
- Transportation of loose materials
- Many other areas

KAZMET & KAZCOMAK

Traditionally, **Kazmet** and **Kazcomak** were held alongside MiningWorld Central Asia.

KazMet 2014, 7th Central Asian International Metallurgy, Metalworking and Machinery Construction Exhibition included the following sectors:

- Metalworking equipment
- Machines and presses
- Casting and pouring equipment
- Equipment for processing rolled products and raw materials
- Equipment for producing steel and iron
- Welding equipment
- Steelmaking and non-ferrous metallurgy products, refractory materials
- And many others

KazMet 2014 featured presentations from leading CIS and international producers of metallurgy and metalworking equipment and machine tool manufacturers.

www.kazmet.iteca.kz

KazComak 2014, 11th Kazakhstan International Road, Heavy Construction and Communal Machinery Exhibition, included the following sectors:

- Construction machinery, tower cranes and mobile cranes
- Open-cast mine machinery, components and parts
- Road construction machinery
- Concrete and asphalt mixing plants
- Municipal machines and freight equipment
- Lifting and transport equipment
- Crushing and hydraulic equipment
- And many others

Kazcomak 2014 showcased the most advanced technologies and innovative equipment for developing mines and for road and industrial construction. The most eye-catching exhibition was outside the pavilion, where 80 machinery models were on display, with several being sold directly at the exhibition.

KAZCOMAK

MININGWORLD CENTRAL ASIA, KAZMET AND KAZCOMAK EXHIBITION | 17 - 19 September 2014

20th ANNIVERSARY

MiningWorld Central Asia, one of the oldest industry events in Kazakhstan, celebrates its 20 year anniversary this year. The exhibition was first organised at the dawn of the independence of the Republic as a small local event and has grown into the largest and most recognised fair in the region over these years. The mining and metallurgy sector is one of the most important industries in the economy of our country, which is shown by the prominent status of the exhibition and the annual support and active involvement of state bodies in the preparation and organisation of the event.

However, the most important part of the exhibition is the exhibitors. This is why during the evening reception dedicated to the opening of the exhibition, the organisers expressed their endless gratitude to those companies which exhibit at MiningWorld Central Asia practically from the beginning of its existence that use the autumn week of exhibitions in Almaty as a place to meet new and established friends and partners.

MININGWORLD CENTRAL ASIA, KAZMET AND KAZCOMAK EXHIBITION | 17 - 19 September 2014

AWARDS

Special souvenirs from Kazakhstan and bottles of champagne were awarded to the following companies:

- **Sandvik Mining and Construction Kazakhstan** - 20 years of exhibiting at MiningWorld - OUTOTEC - 20 years of exhibiting
- **Oriental Co LTD** and Director A.A. Danilenko - 20 years of exhibiting at MiningWorld and great personal contribution to its creation and development
- **DRESSTA** - 17 years of exhibiting
- **BELAZ** - 17 years of exhibiting
- **AtlasCopco** - 15 years of exhibiting
- **Liebherr** - 15 years of exhibiting
- **Komek Machinery** - 12 years of exhibiting
- **KVC Trade** - 12 years of exhibiting
- **Korund** - 12 years of exhibiting
- **MetsoMinerals** - 12 years of exhibiting
- **Trud Machine Building Plant** - 12 years of exhibiting

Companies which received an award in the **BEST STAND** category:

DOW (MiningWorld CA)
PSI Group (Kazcomak)
3M (KazMet)

Companies with outdoor displays also received awards for the **Best Outdoor Stand** category:

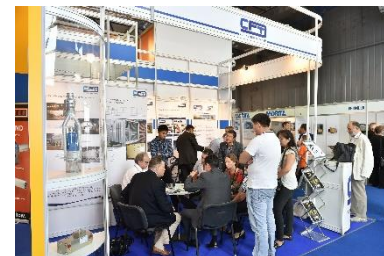

Borusan Makina Kazakshtan (MiningWord CA)
Komek Machinery Kazakhstan (Kazcomak).

BUSINESS PROGRAMME

The event was accompanied by an in-depth and interesting business program. Some of the key topics included:

- Round table discussion: Potential and Prospects of Cluster Development of the Mining and Metallurgical Complex in Kazakhstan.
- Conference: Development of Infrastructure for Waste Disposal in Kazakhstan.
- Modern Equipment for Gas Monitoring in Accordance with EU Standards. (Information and Production Centre “Gidromet Ltd.” LLP)
- Presentation of Metal-Partner LLC as a producer of stone crushing, stone-working and sorting equipment for manufacture of building materials, sorting of sand-gravel mixtures, municipal solid waste, processing of sludge (waste) of metallurgical, coal, and ore production. (Metal-Partner LLC)
- Technical and Technological Solutions for the Creation of a Processing Complex on a Lead-barite Deposit Tuyuk. (ORIENTAL Co. LTD)
- Mobil Delvac Lubricants for Mineral Resource Industry. (Exxon Mobil)
- Modern methods of loading and transportation of rocks. (Sandvik Mining)

VISITOR AND EXHIBITOR RESULTS

Exhibitor survey:

- 71% have achieved their goals
- 68% have confirmed their participation in the exhibition next year
- 67% said they would recommend the exhibition to their colleagues or partners
- 54% participated in the exhibition for the first time
- 42% are in the process of negotiating the contracts
- 16% have signed contracts at the exhibition

Visitor survey:

- 89% were decision makers
- 86% visit the exhibition annually
- 68% found what they were looking for
- 35% found a more innovative product to what they were looking for

The accuracy of the above statistics is supported by UFI – The global Association of the Exhibition Industry

SEE YOU IN 2015

16-18 September 2015, Atakent Exhibition Centre, Almaty, Kazakhstan
